

Health Related Social Needs: Healthy Homes

A free, optional, and private service to improve the air quality and safety in your home.

Who is Eligible?

-Members from BeHealthy Partnership
and WellSense Mercy Alliance
Accountable Care Organizations (ACO)

Members of these Affordable Care Associations can get more information at their health care center or speak with one of our staff members to self refer.

A Healthy Homes Coordinator from Revitalize CDC will visit your home to check for things that might affect the air quality and your health.

A Healthy Homes Coordinator will bring supplies to your home and show you how to use them to help reduce possible triggers. This can help prevent trips to the doctor or hospital. Your Healthy Homes Coordinator will also check the environment and might suggest services to improve the air quality in your home, like fixing mold, cleaning ducts and vents, or controlling pests

Participants may be eligible for:

- Air purifier
- Mattress protector
- HEPA vacuum
- Dehumidifier
- Green cleaning supplies
- And more!
